September 13, 2021

Dear Parent/Guardians,

We were notified of another positive COVID case at The Belle Vernon Area School District today.

Cases as of today:

| Building | # of Positive Cases | |
|----------|---------------------|--|
| BVAHS | 10 | |
| BVAMS | 2 | |
| MES | 8 | |
| RES | 5 | |

If your child is displaying any symptoms or has been in close contact with a positive COVID person, please do not send them to school. Please have them follow the recommendations for quarantining and notify your child's building nurse or principal. It is extremely important that we all work together for the safety of our students and staff and monitor the increase of cases in our district.

The signs and symptoms of COVID 19 are listed below. If you or your child are concerned about an exposure or are exhibiting symptoms of COVID 19, please contact your primary care physician for further guidance. For more information on COVID 19, visit the PA Department of Health's website at: www.health.pa.gov.

What are the signs and symptoms of COVID 19? Symptoms may appear 2-14 days after exposure to the virus and may range from mild to severe.

Symptoms include:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

We are following the recommendations from the PA Department of Health and the PA Department of Education, as the health and wellness of our students and our community are always our highest priority. Please stay safe.

Sincerely,
Dr. Ken Williams
Superintendent of Schools
