INTERNET SAFETY

PARENT/GUARDIAN AGREEMENT

STUDENT'S NAME _____

To be read and signed by parents and/or guardians of students who are under the age of 18:

As the parent or legal guardian of the above student, I have read, understand and agree that my child or ward shall comply with the terms of the School District's Acceptable Use and Internet Policy for the student's access to the School District's computer network and the Internet. I understand that access is being provided to the students for educational purposes only. However, I also understand that it is impossible for the School to restrict access to all offensive and controversial materials and understand my child's or ward's responsibility for abiding by the Policy. I am therefore signing this Policy and agree to indemnify and hold harmless the School, the School District, and the Data Acquisition Site that provide the opportunity to the School District for computer network and Internet access against all claims, damages, losses and costs, or whatever kind, that may result from the child's or ward's use of her or her access to such networks or his or her violation of the foregoing policy. Further, I accept full responsibility for supervision of my child's or ward's use of his or her access account if and when such access is not in the School setting. I hereby give permission for my child or ward to use the building-approved account to access the School District computer network and the Internet.
