

How do I find out information about my child's school?

1. Sign up for the Sapphire Community Web Portal and **make sure all of your contact information is correct.**
2. If you change your phone number, email, or address, notify your child's school **immediately.**
3. If you receive a call from 724-808-2500, please answer. It may be the school nurse, principal, or your child's teacher. It also may be an important recorded message from the district.
4. Go to our district website (www.bvasd.net) and sign up for PeachJar. You will receive an email notification every time we post a new letter or flyer for parents.
5. For information specific to the 2020-2021 school year, visit www.bvasd.net and click on the "Back to School Information" site. If you go to the tab for "Student Learning" and select "Marion Elementary School," you will find helpful information for parents on both face-to-face and online learning.
6. If you have Twitter, follow @BVASDInfo and @BVAMarion.
7. Reach out anytime. You can call the main office at 724-808-2500 ext. 4500 or you can email Dr. Stepko at Deidra.Stepko@bvasd.net.
