I'm sorry to those who I offended over the years. I'm blind to see that I, as a human being, suck. I'm an individual who is doing an injustice to the world and it's time for me to leave. Please don't ever feel sorry for me, or cry - because I had an opportunity at life and that opportunity is over. I'm sorry that I wasn't able to love someone or have someone love me. I guess it's best though, because now I leave no pain onto anyone. The kids in school are right, I am a loser, a freak, and a fag and in no way is that acceptable for people to deal with. I'm sorry for not being a person that would make someone proud.
